

Customization Guide.

Easy Customization

1. Choose Product & Imprint Color.

Look through your pricing guide for cup sizes, colors and ink combos. Then write down your selections in the **blue box** on the back of this sheet.

2. Email Us Your Art File.

Chances are, your logo was made in Adobe Illustrator. The designer will have it in an .AI (Adobe Illustrator) or Vector (.EPS) format. Any art that needs alteration to meet our screen printing requirements will be quoted at \$60/hr.

3. Plan For Production Time.

Plan on 2-4 weeks production time (plus shipping) from the date of payment and mockup approval. Any changes you make afterwards could delay the delivery date. Be sure to discuss any event date that must be met with your sales rep.

4. Approve Your Digital Mockup.

Verify the size and location of your art, as well as ink colors and cup quantities. Don't forget to respond to our e-mail with your shipping address.

5. Review & Pay Your Invoice.

We won't start production until your invoice has been paid. The 2-4 week production time (plus shipping) starts from the date of payment and mockup approval.
